WEATHER SEMINAR

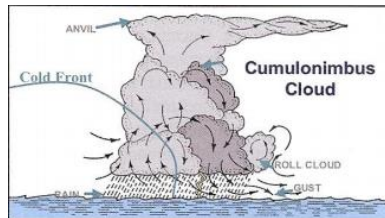

*"A veering wind will clear the sky;
A backing wind says storms are nigh."*

When: 7:00 – 9:00pm Thursday, May 11, 2017

Where: Riverside Yacht Club

102 Club Road, Riverside CT 06878

Cost: \$20 per person payable at the door

The safety and comfort of those who venture out on the water have always been weather dependent. This seminar is a must for boaters who have never taken a weather course – or who want a refresher. The complex subject is presented in a way that is both understandable and useful. Instructor Jim Dobbs adapts the seminar for relevance to boating on Long Island Sound. Topics include: Winds; Storms; Clouds and Thunderstorms; Fog; and Forecasting. Even non-boaters will enjoy the subject and the evening at this great yacht club!
